

CORAL BEACH CLUB

Dubrovnik

Babin Kuk

Bogatstvo Dubrovačke Republike bilo je nadaleko poznato i gotovo legendarno. Za blagostanje građana uvelike su bile zaslužne njihove pomorske i trgovačke vještine. Stolećima su uspješno trgovali dragocjenom robom i upravo to bogatstvo im je omogućilo održavanje neovisnosti usprkos previranjima koja se se događala na području oko same Dubrovačke Republike. Stoga ne čudi da se i dan danas uz Dubrovnik vezuju poznati stihovi Ivana Gundulića »O lijepa, o draga, o slatka slobodo«.

Lokacija Coral Beach Cluba, koji se nalazi usred dubrovačke zelene oaze - poluotoka Babin Kuk, također je duboko utkana u povijest Dubrovnika. Naime, legenda kaže kako su upravo na ovom mjestu žene trgovaca i pomoraca ispraćale svoje najmilije kada su kretali na svoja putovanja i dočekivale ih kada su se vraćali sa svojim blagom.

The wealth of Dubrovnik was legendary. The prosperity of its citizens based on their skill as merchants and sailors: For centuries they traded with luxury goods in a smart and successful manner. Their wealth enabled them to maintain Dubrovnik's independence of the surrounding dominions. Dubrovnik became synonymous with the motto of the city, »freedom«.

The Coral Beach Club's location is of particular significance for Dubrovnik's history: The legend says that the sailors' and merchants' women stood at this place in order to wave goodbye to them when they set out to sea, and to expect it when they returned with new riches.
